## Outlook for remainder of 2015

Investment activity to remain at current levels

HYDRO
Project activity for modernizations and new hydropower stations to continue at current subdued level; satisfactory market activity for pumps to continue

## PULP \& PAPER

Good project activity for modernizations and capacity increases expected;

## METALS

Low project and investment activity both in metalforming for automotive industry and steel/aluminum

## SEPARATION

Low project activity in mining to remain; solid project activity in environment, food, chemicals and feed/biomass pelleting
